

A **TOUCH** BEYOND YOUR AVERAGE FAUCET.

Pilar™ with Touch2O™ Technology. Touch on. Touch off. With Touch2O Technology, it doesn't matter if you have two full hands or 10 messy fingers. Tap anywhere on the spout or handle and the water is running. Turning off the water between tasks is easier too, saving water. Making faucets easier to use—with just a touch. Another way that Delta is more than just a faucet.
